Thanks for your note! And thanks for the information in your separate email Alaina.  
Barbara – I am forwarding this to Carter Jessop. He is lead for this project and can give you more information about where we are in the possible referral process. I know there is a meeting scheduled with USFS HQ next week.

Carter, can give Barbara a call to answer her questions about the referral?

Thanks!

Connell

Hi Connell,

I was on the NEPA call today and I was wondering about the Rosemont project. Where are you in the process? Did you start on the referral package yet?

Also, Alaina McCurdy is our Maryland Transportation Liaison and was off during the shutdown.

Other agencies in MD worked.

Thanks, Barb
